

United Way kicks off fundraising campaign

65 years, \$285,000

PORT WASHINGTON — The United Way of Northern Ozaukee County kicked off its 2015 fundraising campaign Tuesday with a 65th anniversary party at Twisted Willow.

Since the 1950 founding of UWNO, then called The Community Chest, the organization has raised more than \$5 million to help fight against poverty, domestic violence, education and health issues among those in need in Ozaukee County. Last year, UWNO's

human services department received more than 500

reports of child abuse; other families struggle and need help against addiction, disabilities and the risk of becoming homeless.

The UWNO's fundraising goal for this year is \$285,000. For more information, visit www.unitedwayno.org.
