

# Serving up Stone Soup for a good cause

United Way of Northern Ozaukee kicked off its annual campaign Saturday with a Stone Soup event, during which volunteers packaged 100 quarts of a vegetable soup prepared with donated produce for distribution by the food pantry at Family Sharing of Ozaukee and then enjoyed a soup luncheon. Grace Steiner, 3, of Grafton, was eager to dig into her bowl of soup (photo below). Volunteers Cathy Funk (left in photo at right) and Jeannie Thompson ladled soup into containers before the meal. The United Way of Northern Ozaukee hopes to raise \$300,000 this year to support 14 community agencies.
