Your support of United Way of Northern Ozaukee makes an immediate impact in the lives of our neighbors. **For the 26% of families in our county who struggle to meet their basic needs**, accessing resources is too often a daunting and difficult task. With your help, United Way and its partners are there to assist families facing urgent crises like food insecurity, financial challenges and a lack of support services for their children.

As part of the local United Way of Northern Ozaukee family, **you support a network** that can bring together corporate and community partners to **effect policy changes that will benefit our whole community**.
